

Dear Valued Customer

ANA Cargo Inc

## **Regarding the provision of the accurate commodity name under ACAS for the U.S.**

Thank you for your continued support of the ANA group.

We received the notification about the provision of the accurate commodity name under the ACAS program (pre-loading advance cargo information of the shipment for U.S.) from the US Authority.

We have received a list of commodity names that are not acceptable or unacceptable for ACAS approval from the U.S. Customs Border Protection. Therefore, we would appreciate it if you could refer to the list and provide the accurate commodity name.

Please be informed of the details as follows and thank you for your understanding and cooperation.

### Note

1. **Applicable date**

From 7th October, 2024

2. **Request**

Please provide the accurate commodity names of straight shipments and HAWB referring to the following attached list on CBP website.

3. **Attachment**

Commodity List:

\*Please confirm the bulletin "CSMS # 62081967 - ACAS Vague and Unacceptable Description Rejection" issued on 5th September from the above website.

\*\*Since the CBP updates the additional commodity names each time, we apologize for the inconvenience, but we would like to ask you to confirm the updated information each time.

\*\*\*The list is not a guarantee of ACAS approval for installation and we cannot accept any liability for the contents of the list.

4. **Other**

- We will not use the MAWB/HAWB information submitted from the customers for any purpose other than transportation and not disclose it outside parties including authorities unless instructed from the authorities.
- Please contact local ANA Sales staff for the data transmission charges.
- If the CBP imposes penalties or fines on us, and in case it is caused by the negligence of the customer, we may charge the fines to the customer. We appreciate your understanding in advance.
- In order to follow this program smoothly, please provide the cargo information electronically (FWB/FHL) as much as possible.

Please contact the sales representative about the details.
